1. The reparations plan for the year 1948 for the State of Thuringia foresees deliveries amounting to RM 1,360,000,000. This figure does not include deliveries to holders of APO numbers, i.e., orders going directly to Soviet Army units. The figures are based on the 1944 "stop" prices which are below the present cost prices.
2. Although the final figure of the 1947 reparations plan was higher than that of the 1948 reparations plan, it included deliveries to APO numbers, amounting to approximately RM 270,000,000. Some of these orders are being filled during the current year.
3. Current reparations orders are being filled to about 80%.
